<i>Baccharis halimifolia</i>	<i>Hebe</i> sp.	<i>Nerium oleander</i>

Beaucarnea sp.	Helianthus sp.	Nicotiana tabacum
Begonia x hiemalis	Helichrysum sp.	Nothofagus obliqua
Beta vulgaris	Heliotropium europaeum	Ocimum basilicum
Betula nigra	Hemerocallis sp.	Olea sp.
Betula pendula	Heteromeles arbutifolia	Olea europaea
Betula pubescens	Hevea brasiliensis	Ornithogalum sp.
Betula sp.	Hibiscus sp.	Osmanthus heterophyllus
Betula utilis	Hibiscus syriacus	Osteospermum fruticosum
Bismarckia sp.	Howea forsteriana	Osteospermum ecklonis
Borassus labellifer	Humulus lupulus	Pachira sp.
Bougainvillea sp.	Humulus scandens	Palmae
Brahea armata	Hyacinthus sp.	Parrotia persica
Brahea edulis	Hymenocallis sp.	Parthenocissus quinquefolia
Brassica sp.	Ilex aquifolium	Paspalum dilatatum
Butia capitata	Ilex vomitoria	Pelargonium sp.
Calamus merrillii	Impatiens New Guinea-hybrider	Perovskia abrotanoides
Camassia sp.	Iris sp.	Persea americana
Camellia sp.	Iva annua	Phagnalon saxatile
Calicotome spinosa	Jacaranda mimosifolia	Phaseolus sp.
Calicotome villosa	Jubaea chilensis	Phaseolus vulgaris
Callicarpa americana	Juglans sp.	Phillyrea angustifolia
Calluna vulgaris	Juglans regia	Phillyrea latifolia
Callistemon citrinus	Juniperus ashei	Phlomis fruticosa
Camellia sp.	Kalmia latifolia	Phoenix canariensis
Capsicum annuum	Koelreuteria bipinnata	Phoenix dactylifera
Capsicum frutescens	Koelreuteria paniculata	Phoenix reclinata
Capsicum sp.	Koelreuteria sp.	Phoenix roebelenii
Carpinus sp.		Phoenix sp.
		Phoenix sylvestris
Carya sp.		Phoenix theophrasti
Caryota cumingii		Photinia davidiana
Caryota maxima		Photinia x fraseri
Castanea sativa		Picea abies
Castanea sp.		Picea pungens
Catharanthus roseus		Picea sp.
Cedrus atlantica		Pieris sp.
Cedrus deodara		Pinus nigra
Cedrus sp.		Pinus sp.
Celtis occidentalis		Pinus sylvestris
Cercidiphyllum sp.		Pinus taeda
Cerdis canadensis		Pistacia vera
Cercis occidentalis		Plantago lanceolata
Cercis siliquastrum		Platanus sp.
Chamaecrista fasciculata		Pluchea odorata
Chamaerops humilis		

Chaenomeles sp.
Chionanthus sp.
Chionodoxa sp.
Chitalpa tashkentensis
Chrysanthemum sp.
Cistus monspeliensis
Cistus sp.
Cistus albidus
Cistus creticus
Citrus paradisi
Citrus aurantiifolia
Citrus aurantium
Citrus limon
Citrus reticulata
Citrus sinensis
Citrus sp.
Clematis cirrhosa
Cocos nucifera
Coelorachis cylindrica
Coffea sp.
Conium maculatum
Convolvulus cneorum
Copernicia sp.
Cornus sp.
Corypha utan
Corylus avellana
Coprosma repens
Coronilla sp.
Corylus avellana
Corylus colurna
Corylus sp.
Cotoneaster sp.
Crassula sp.
Crataegus sp.
Crinum sp.
Crocus flavus
Cryptomeria japonica
Cydonia sp.
Cydonia oblonga
Cyperaceae
Cyperus eragrostis
Cytisus sp.

Poaceae
Polygala myrtifolia
Polygala grandiflora
Poncirus sp. og hybrider deraf
Populus sp.
Pritchardia sp.
